

Kathmandu University (KU) Schools

Dhulikhel Campus (Main)

Q: Where is KUSOE || Where is KU School of Engineering || Where is Kathmandu University School of Engineering located?

A: KUSOE is located at the Kathmandu University main campus in Dhulikhel, Kavre.

Q: Where is KUSOS || Where is KU School of Science || Where is Kathmandu University School of Science located?

A: KUSOS is located at the Kathmandu University main campus in Dhulikhel, Kavre.

Q: Where is KUSOL || Where is KU School of Law || Where is Kathmandu University School of Law located?

A: KUSOL is located in Dhulikhel (Pinthali), Kavre, near the main campus.

Lalitpur & Bhaktapur Campuses

Q: Where is KUSOEd || Where is KU School of Education || Where is Kathmandu University School of Education located?

A: KUSOEd is located in Hattiban, Lalitpur.

Q: Where is KUSOA || Where is KU School of Arts || Where is Kathmandu University School of Arts located?

A: KUSOA is located in Hattiban, Lalitpur. (Note: The Department of Music is located in Chupinghat, Bhaktapur).

Q: Where is KUSOM || Where is KU School of Management || Where is Kathmandu University School of Management located?

A: KUSOM is located in Balkumari, Lalitpur.

Medical School Locations

Q: Where is KUSMS || Where is KU School of Medical Sciences || Where is Kathmandu University School of Medical Sciences located?

A: KUSMS operates from two sites: the Basic Sciences department is in Chaukot (Panauti), while clinical training and administration are based at Dhulikhel Hospital in Dhulikhel.

List of KU Schools Deans Information

School	Dean Name	Primary Email Address
School of Engineering (KUSOE)	Prof. Dr. Manish Pokharel	soe_dean@ku.edu.np
School of Science (KUSOS)	Prof. Dr. Bed Mani Dahal	sos_dean@ku.edu.np
School of Management (KUSOM)	Prof. Dr. Bijay K.C.	som_dean@ku.edu.np
School of Medical Sciences (KUSMS)	Prof. Dr. Manoj Humagain	sms_dean@ku.edu.np
School of Arts (KUSOA)	Dr. Uddhab Pyakurel (Acting)	soa_dean@ku.edu.np
School of Education (KUSOEd)	Prof. Dr. Bal Chandra Luitel	soed_dean@ku.edu.np
School of Law (KUSOL)	Dr. Shiva Kumar Giri (Acting)	sol_dean@ku.edu.np

Primary Contact Details of KU Schools

School	Location	Phone Number	Primary Email / Admission Email
Engineering (KUSOE)	Dhulikhel	+977-11-415005	soe_dean@ku.edu.np
Science (KUSOS)	Dhulikhel	+977-11-415200	sos_admission@ku.edu.np
Management (KUSOM)	Balkumari, Lalitpur	+977-1-5186091	info@kusom.edu.np
Medical Sciences (KUSMS)	Dhulikhel	+977-11-490577	info@kusms.edu.np
Arts (KUSOA)	Hattiban, Lalitpur	+977-1-5913306	soa_admission@ku.edu.np
Education (KUSOEd)	Hattiban, Lalitpur	+977-1-5912524	admin@soed.ku.edu.np
Law (KUSOL)	Dhulikhel	+977-11-490735	sol_admission@ku.edu.np

Based on the fee structure document "image_297a42.jpg" for the academic year 2082/2083, here is a complete interpretation of the programs across all Kathmandu University schools.

School of Engineering (SOE)

The School of Engineering offers several technical undergraduate and graduate degrees:

- **Undergraduate Programs:** 4-year programs including Electrical & Electronics, Computer, Bachelor of Information Technology (KU-CBIT), Mechanical, Geomatics, Civil, Chemical, Artificial Intelligence, Mining, Health Informatics, and Heritage Conservation each cost Rs. 960,000.
- **Architecture:** This is a 5-year undergraduate program with a total fee of Rs. 1,097,000.
- **Graduate Programs:** 2-year Master's degrees such as ME (in various specializations), Master's in Health Informatics, M.Tech in Energy Systems, and M.Tech in IT cost Rs. 475,000.

School of Science (SOSc)

The School of Science provides undergraduate and graduate paths in life and physical sciences:

- **Undergraduate Programs:** 4-year degrees in B.Tech in Biotechnology and B.Sc. in Agriculture cost Rs. 987,000, while BE in Environmental Engineering is Rs. 960,000. B.Sc. programs in Computer Science and Bioinformatics are Rs. 950,000. Programs in Environmental Science/Studies, Computational Mathematics, and Data Science cost Rs. 924,000, while Applied Physics is Rs. 896,000. Bachelor of Pharmacy (B.Pharm) is Rs. 777,000.
- **Graduate Programs:** 2-year M.Sc. programs in Environmental Science, Physics, and Computational Mathematics, as well as ME in Environmental Engineering, cost Rs. 475,000. Specialized 2-year M.Tech programs in Biotech and Research (BT) cost Rs. 830,000 and Rs. 667,000 respectively. M.Phil programs are 1.5 years at Rs. 383,000, and Pharm D is a 3-year program costing Rs. 673,409.

School of Management (SOM) & School of Law (SOL)

These schools cover business, economics, and legal studies:

- **Undergraduate Programs:** 4-year SOM programs like BBA and BBIS cost Rs. 960,000, while Bachelor in Professional Hospitality (BPH) is Rs. 735,000. 5-year SOL programs like BBM-LL.B and BEcon-LL.B cost Rs. 1,037,000.

- **Graduate Programs:** 2-year Master's programs including the MBA, MBE, and MPPM cost Rs. 658,000, while the Executive MBA is Rs. 677,000. SOL Master's programs in Law (LLM/MEIL) cost Rs. 475,000. M.Phil in Management is 1.5 years at Rs. 383,000.

School of Arts (SOA)

The School of Arts offers diverse programs in creative and social fields:

- **Undergraduate Programs:** 4-year degrees in Music, Fine Arts, and Yogic Science cost Rs. 530,000. Programs in Craft and Design, Media Studies, Economics, and Community Development are Rs. 546,000.
- **Graduate Programs:** All 2-year Master's programs (Human Studies, Development Studies, Economics, Urban Studies, Fine Arts, Media Studies, and Music) cost Rs. 451,000.

School of Education (SOED)

Education programs are categorized by duration and level:

- **Undergraduate:** All 4-year Bachelor programs cost Rs. 546,000.
- **Graduate:** 2-year Master's programs cost Rs. 305,000, while 1-year Master's and PGDA programs cost Rs. 149,000. The 1.5-year M.Phil program is Rs. 383,000.

Doctoral Programs & International Fees

- **Ph.D. Programs:** Available through SOE, SOSc, SOM, SOL, SOA, and SOED, these typically span 3–5 years with a total fee of Rs. 672,000 (though Ph.D. Biotech is Rs. 882,000).
- **Fee Multipliers:** Corporate sponsored and SAARC country students pay 1.5 times the normal fees, while students from other countries pay 2 times the normal fees.

The following fee structure for Kathmandu University is set for the **Academic Year 2082/2083 BS**, as per the EC Decision dated 2072/06/24 and 2082/02/07.

School of Engineering (SOE)

Q: What are the costs and durations for undergraduate and graduate engineering programs?

- **Undergraduate (4 Years):** Programs such as Electrical & Electronics, Computer, BIT (KU-CBIT), Mechanical, Geomatics, Civil, Chemical, AI, Mining, Health Informatics, and Heritage Conservation each have a total fee of **Rs. 960,000**.
- **Architecture (5 Years):** The Bachelor in Architecture costs **Rs. 1,097,000**.
- **Graduate (2 Years):** Master's programs including ME, M.Tech in Energy Systems, and M.Tech in IT cost **Rs. 475,000**.

School of Science (SOsc)

Q: What is the fee structure for various science programs?

- **B.Tech & B.Sc. (4 Years):** B.Tech in Biotechnology and B.Sc. in Agriculture cost **Rs. 987,000**.
- **Environmental & Data Science (4 Years):** Environmental Engineering is **Rs. 960,000**, while Data Science and Computational Mathematics are **Rs. 924,000**.
- **Pharmacy (4 Years):** The B.Pharm program costs **Rs. 777,000**.
- **Graduate Programs:** 2-year M.Sc. programs cost **Rs. 475,000**, while specialized programs like M.Tech (Biotech) cost **Rs. 830,000**.

School of Management (SOM) & Law (SOL)

Q: How much are the management and legal studies programs?

- **Undergraduate Management (4 Years):** BBA and BBIS programs cost **Rs. 960,000**.
- **Undergraduate Law (5 Years):** BBM-LL.B and BEcon-LL.B programs cost **Rs. 1,037,000**.

- **Graduate Management (2 Years):** The MBA, MBE, and MPPM programs cost **Rs. 658,000**, while the Executive MBA costs **Rs. 677,000**.

School of Arts (SOA) & Education (SOED)

Q: What are the fees for Arts and Education degrees?

- **Undergraduate Arts (4 Years):** Music and Fine Arts cost **Rs. 530,000**, while Media Studies and Economics cost **Rs. 546,000**.
- **Undergraduate Education (4 Years):** All Bachelor programs in this school cost **Rs. 546,000**.
- **Graduate Education:** 2-year Master's programs cost **Rs. 305,000**, and 1-year programs cost **Rs. 149,000**.

Doctoral and International Policies

Q: What are the costs for Ph.D. programs and international students?

- **Ph.D. Programs (3-5 Years):** Most Ph.D. tracks cost **Rs. 672,000**, though Ph.D. (Biotech) is **Rs. 882,000**.
- **SAARC & Corporate Students:** Fees are **1.5 times** the normal rate.
- **Other International Students:** Fees are **2 times** the normal rate.

Admission Guide: Kathmandu University School of Engineering (SoE)

This document provides a detailed overview of the admission requirements, entrance examination structure, and scoring benchmarks for prospective engineering students at Kathmandu University.

1. Academic Eligibility Criteria

To be eligible for admission into the School of Engineering, candidates must meet the following foundational requirements:

- **NEB (10+2) or Equivalent:** * Minimum aggregate **GPA of 2.0** or **50% aggregate** marks.
 - Must have completed the Science stream with Physics, Chemistry, and Mathematics (PCM).
 - **Note for Biology Students (PCB):** Eligible only if they have taken and passed "Additional Mathematics" at the 10+2 level.
- **GCE A-Levels:** * Completion of at least 3 A-Level courses and 1 AS-Level course.
 - Must include Physics, Chemistry, and Mathematics (PCM).
 - Minimum **Grade D** in each subject.
- **IB Diploma:** * Minimum aggregate score of **24 points**.
 - Must include PCM courses with a minimum grade of 3 in each.
- **CTEVT Diploma:** * A 3-year diploma in a related technical field with at least **50% aggregate** marks.

2. Entrance Test: KUCAT-CBT

The Kathmandu University Common Admission Test (KUCAT) is a **Computer-Based Test (CBT)**.

Test Structure

- **Format:** 120 Multiple Choice Questions (MCQs).
- **Duration:** 2 hours (120 minutes).
- **Subjects:** Physics (40 questions), Chemistry (40 questions), and Mathematics (40 questions).
- **Syllabus:** Questions are distributed across 40 specific topics per subject as outlined in the official KU syllabus.

Adaptive Scoring Logic

The KUCAT-CBT uses a dynamic difficulty-adjustment algorithm:

- **Levels:** Questions range from Difficulty Level 1 (easiest) to Level 5 (toughest).
- **Progression:** A correct answer increases the difficulty of the next question; an incorrect answer decreases it.
- **Point Values:** Higher difficulty questions carry more points:
 - Level 1: 11 points
 - Level 2: 13 points
 - Level 3: 15 points
 - Level 4: 17 points
 - Level 5: 19 points
- **Negative Marking:** There is **no traditional negative marking**. Instead, the "penalty" is a drop in difficulty level, which lowers the maximum potential score.
- **Score Range:** Total scores range from **0 to 2220**.

3. Pass Marks and Cutoff Scores

The Institutional Pass Mark

The absolute minimum score required to be eligible for the merit list is **528**. Candidates scoring below this threshold are disqualified.

Competitive Cutoff Scores

Meeting the pass mark does not guarantee admission. Selection is strictly merit-based. High-demand programs typically have much higher closing scores:

Program	Estimated Merit Range
Computer Engineering	900 - 1300+
AI (B.Tech)	800 - 1100+
Civil (Hydropower)	700 - 1100+
Mechanical Engineering	600 - 1000+
Mining Engineering	528 - 700+

Tie-Breaking Rule: If two candidates have the same CBT score, their ranking is determined by their 10+2 (high school) marks/grades.

4. Special Program Requirements

- **B. Architecture:** Candidates must first pass the KUCAT-CBT (528+ score) and then pass a secondary **Aptitude Test** focusing on freehand sketching, spatial awareness, and aesthetic sensitivity.
- **Geomatics Engineering:** Often involves collaboration with the Land Management Training Centre (LMTC) for specialized scholarships.

5. Application Process Highlights

1. **Online Registration:** Apply via apply.ku.edu.np/cbt.
2. **Program Change Window:** After the rank list is published, candidates have a 48-hour window to adjust their program preferences based on their actual score.
3. **Confirmation:** Selected candidates must actively fill out an "Enrollment Confirmation Form" to secure their seat.
